“ Cynthia, I met you beautiful mom in the late seventies at Holy Rosary School. We worked together on a Christmas Bazaar of which I was chairman. She was in charge of the Christmas booth and made many lovely items to sell. Through this experience I got to know her as being a very talented, artistic, understanding and caring person. We worked well together and kept up till you guys left the school. In later years we would see each other out shopping, we would stop and keep up with the families. She was beautiful then and throughout life. A lot of that beauty will continue to shine through you. I love you and always remember God is holding you in the palm of his hand.

“ I met Anne's daughter, Cynthia, in 2009 and life has been more rich and sweet ever since. Anne always had a smile on her face. Her beauty and energy illuminated every room she entered. She was an exemplary wife and mother, caring for her family with attention to every detail of her lovely home and traditional Italian meals. One year, I was fortunate enough to share Thanksgiving dinner with Anne and her family at Cynthia's house, sharing many laughs and memories of our late grandparents and others who are related. That day was unforgettable, as the fire department had to be called for a small grease fire in the oven..it proved to add a lot of excitement to our gathering, especially when the young, attractive firefighters jumped into action to save the day! I remember Anne was so gracious, friendly, helpful and graceful in her ways...not only that day but every time I was around her, even when she didn't feel 100%. I know she will be missed by her husband and children and my heart goes out to all of them. I'd like to offer them a simple quote from Dr. Seuss: "Don't cry because it's over. Smile because it happened." There will never be another like Anne. She was one of a kind, and I am honored to have known her. One more thing...I always thought it was so special that her birthday was Dec 25. May the Grace of God be with Anne and her family this and every holiday season, as I know she will be terribly missed. xoxo

“ My favorite memories of Ms. Anne where when I was in college. I played golf and every year before we would all go home for Christmas break. Mr.&Mrs. Giannini would have the golf team over for Dinner. Ms Anne's homemade ravioli's where the greatest I had ever had. But most of all she always made me feel loved. I was a country girl that came to the City and I was scared and homesick,and the love and kindness Ms Anne and her family showed me helped me through some hard times. I will never forget all the great homemade meals but most of all they made me feel like part of there family. She was very special and I loved her. Rest in Peace!

“ Momma, you are my heart, my spirit. my rock, mentor, teacher, my beautiful caring, loving mom and you became my best friend as Gina and I moved in to help you and dad. I am heartbroken you are not here with me. You are the heart of our family and now you are sitting at the foot of Jesus. I picked the pansies blooms off today like you taught me, i cleaned out the bird feeder so the birds could have a fresh and clean place to eat, i put fresh eater in the bird bath because you said the birds need water in the winter....I miss everything about you being here but I LIVE IN YOU. Things I do today are things you have taught me my whole life. I will spend the rest of my life making you proud. Please be our guardian angel from heaven....

Love you momma,
Cynthia

“ I'm so blessed to have known Miss Anne. She was a beautiful lady inside and out. I will always cherish her sweet smile and loving spirit she had. Got to give her haircuts and make her smile because of how much easier it was gonna be to do her hair.....ha. She loved her family so much but she's with her other family members in heaven. Rest In Peace Miss Anne.
