Natalie (Rosenberg) Frager
(1933-2020)

With profound sadness, we announce that Natalie Olga Frager died in her sleep on Tuesday morning, December 8, 2020 at her home after a long struggle in nursing home and hospital stays. She was 87 years young. Natalie was the loving wife to Jerome (Jerry) Frager for 67 short years. They met when Natalie was at Stephen's College in Columbia, Missouri and Jerry was at University of Missouri. Natalie joined Jerry in Fukuoka, Japan, where he was stationed in the Air Force their first year of marriage, where their first child was born.

Natalie (a'h) was born and raised in Birmingham, Alabama, but spent much of her childhood in Memphis with loving aunts and friends before she moved with Jerry in 1954. She was a proud Jewish woman, devoted to many causes in the community and helped support many efforts to improve the world, including serving as Hadassah President, mentor, and lifetime member, Hadassah Woman's Zionist Organization, American-Israel Chamber of Commerce, Jewish Family Services and Federation, Memphis Hebrew Academy, St. Jude Hospital, Methodist Hospice House, Better Business Bureau, advocate for children through the Board of Education, and more. She reserved her greatest care and attention for her family, surrounding them with love, education, and music. Natalie and Jerry enjoyed traveling and especially going to Israel many times.

Natalie was beautiful inside and out, always had a smile on her face and had nice words

to say. She epitomized the image of a Southern Belle.

Natalie was the beloved mother of Yehuda (Tzipora), Bruce (Tina), David(Pam), Sara Beth (Zvi Kahn) and Barry (Lihan) Frager. She was the cherished grandmother to 16 grandchildren and the honored great-grandmother to 17 great grandchildren, with a great-great grandchild on the way. She had many nieces and nephews that were near and dear to her. She will be sorely missed and forever in our hearts.

Natalie was preceded in death by her beloved sister, Dorothy Lebovitz.

In lieu of flowers, the family requests that donations be made in Natalie's (a'h)loving memory to the Memphis Jewish Home <http://memphisjewishhome.org/giving> , Hadassah <https://www.hadassah.org> , or Baron Hirsch Synagogue www.baronhirsch.org

“ So grateful to be a part of this--Natalie was my long-time, ageless friend. We go back to giggling teenagers--and before.
