Dear Mr. Maury Wade, and All your Family,

My sincere prayers for you all, I apologize for this being so late, I first met Trintje, back in January 1985, when she and Renny Pidgeon used to come to Frazier Monastery every Wednesdays for class. And we could both have talked to she needed to get back home.

I have fond memories of her. I always enjoy calling her or whatever she call the monastery, and I be on duty to get to talk with her. When she came out she wouldn't show me all the latest pictures and what was going on in the family.

I tried to call her last year on her birthday,Dec.8 th., but when I didn't get any one on phone. I knew in my heart, she knows I called, but I didn't know how to reach anyone else. We 4 that was still left there, finally needed and had to close down the monastery and leave, 2 of us went to Ohio and the other 2 we went to S.C..

I will always cherish Trintje friendship I had with her. I know she is in Heaven, so she's still always open now to talking to her.

I remember she had last told me Mary Catherine had taken Equestrian, so when I saw this, I believe it was Trintje that gave me the clue to click on it, I find her picture n an update. So I just want to express she was an awesome person.

“ Trintje was my sister for 81 years of my life. Never knew I could miss her so very much and we have lived apart for 60 some odd years of those 81! The bond that is created in large families is stronger than gorilla glue. She acted Saint like / I knew better. She had a great deal of fun/always her smile showed her innocence, course I am kidding. Envied her long into the night chats with mom, I could never do that! Now she is in heaven with Jim, Mom and Dad! Missing her Love Maury. As Trintje used to say “we are on this end of the journey... not too far behind” Love and miss you so much Sister Sue

“ What brought about my growing love,  
Of the one I took as mine,  
'T'was three important human senses,  
That changed the “mine” to thine.

The first of course, the sense of sight,  
That turned my eyes to you.  
The beauty of a striking vision,  
When seen, would not undo.

The second was the sense of speech,  
When words so few, but new,  
Returned me back once, then again  
To focus only upon you.

The third has been the sense of feel,  
Which brought deepness to expand.  
A one and most important act,  
The loving touch of your hand.

It was beauty the first time I saw you,  
Has been beauty all the days through,  
Though the beauty I first saw was lovely,  
The beauty I now see is you.

My sympathy to our family  
Dad

“ Dear Maury and Family,

I first met Trintje as a neighbor, then as a parishoner of Holy Rosary Catholic Church and the Mother of several children who attended Holy Rosary School with some of my children at the time. My daughter Tricia Craven Williams and Trintje's and Maury's daughter Cathy Wade Rungee continued their friendship throughout school and life. She was not only a lovely lady in looks, but also in personality and I admired her greatly for her commitment to family, school and church. She was a witness to her faith throughout her life, admired by all who knew her. God's Peace to her family.

“ Dear Friend Maury and Children;

We remember a young Bride at Laredo Air Force apartments in 1958, who could not be matched in her cute, kind ways. We always kept up in Christmas greetings with our growing families until our move to Memphis in 1971. Watching our children grow up at Holy Rosary, IC and CBHS was fun.

Trintje got me involved in Birthright meetings in the Catholic Charities basement with Msgr Clunan and Msgr Batson pushing us forward as well as Cenacle First Fridays held at The Poor Clares with Rev Peter Sartain presiding.

She led by example and faith and was always a good friend . We will miss our gatherings with Trintje and Maury.

Love & Family Peace To You Trintje
